InterNACHI mall exclusive offer: Purchase the Aztrom inspection reporting software and we will include our Home Inspection Marketing software (a \$129.00 value) for FREE. The Source One home inspection marketing program is specifically designed to maintain and grow your market share in your inspection service area. The Source One marketing program contains everything you need for an effective local marketing campaign: Four complete realtor presentations with outlines, scripts, and photos - all in powerpoint and overhead format. A complete presentation how-to guide featuring step by step instructions on everything from booking the presentation to set-up and delivery. Just give us your InterNACHI member number at the time of purchase – over the phone or at the Aztrom web site – and the marketing program is yours FREE with the purchase of the Aztrom home inspection reporting software.
