You work for your money ... why not pay less when you spend?

Get Ready ... Get Set ... Save!

InterNACHI™ members already protect your investment when you buy real estate. Now, we are helping our customers save money on everyday items just by getting and using the **TopNACHI Card**. Using it to get discounts on items you normally buy, you can save many times the cost of the card, and possibly even recoup the cost of your inspection within a year!

TopNACHI has teamed up with thousands of merchants who deliver savings to our members in exchange for advertising. The logo of our largest merchant network, Access™, is on the back of your TopNACHI Card. Show this logo whenever you present your TopNACHI Card to a merchant, along with a coupon printed from our web site when required.

In addition to the “fun” kind of savings, we help you save when you need to feel better. The **TopNACHI-Rx Discount Prescription Card** can provide you with savings of up to 50% at over 50,000 pharmacies across the country. A single membership for similar programs sell for as much as \$96.00 in some areas, but it's included at no additional cost with your TopNACHI Card membership!

Saving Has Never Been So Easy.

The TopNACHI Card stands alone over other discount programs, and is the perfect combination of a program membership card, a coupon book, and the Internet.

- **You won't run out of savings** - Some merchants require coupons, and you will print them from our web site as you need them. Unlike local coupon programs, your card is not limited to the number of coupons in a book. You can print more coupons from our site whenever you want, so you won't ever run out of the opportunity to save!
- **Come again, and again, and again** - There really are no limits on use. Eat, shop ... or whatever ... at the same place every day of the year if you want; just print another coupon from our site whenever you need it.
- **More places to save** - If your favorite restaurants or stores are not part of our network, refer them to us on our web site, and our staff will invite them to “join the TopNACHI family”. It's a great deal for them, because it costs nothing to participate except to offer discounts to our members. In return, we advertise their businesses on our site to all our members!
- **Discounts on prescriptions** - The TopNACHI-Rx Card can help you pay less when you need to get better. Find the best price at the closest pharmacy right on our site! At TopNACHI, we think that the cost of medicine should never make you sick.
- **Additional services** - Debt reduction, greater discounts, whatever it is ... when we find things to help you save more money, we will advertise them on our site!

***OK, we say we can help you save money,
now let us tell you where you can save it.***

Want To Get Away From It All?

Discounted rates at popular hotel chains can help you travel for less. You may save up to 50% at over 20,000 hotels worldwide!

Save around the world through the TopNACHI/Hotel Access®/Great American Traveler® program! Receive up to 50% off standard rack rates at thousands of participating properties on our online hotel directory. This directory is updated daily, and we are constantly expanding it to include such great names as Hilton, Sheraton, Radisson, Residence Inn by Marriott, Holiday Inn, Quality Inn, Best Western, Wyndham, and many more!

The rack rate is the hotel’s standard non-discounted room rate. The hotel may, from time to time, offer seasonal, special, or promotional rates for which the 50% discount does not apply. To receive your discount, identify yourself as a TopNACHI/Great American Traveler/Hotel Access member when placing a reservation.

TopNACHI members can also save up to 30% at participating Amerihost, Best Western, Clarion, Comfort Inn, Comfort Suites, Days Inn, Econo Lodge, Howard Johnson, Knights Inn, La Quinta, Quality, Ramada, Rodeway Inn, Sleep Inn, Travelodge, Villager, and Wingate Inn locations.

Hotels usually have vacant rooms, and this program works by helping increase hotel profits with our members occupying those rooms. Participating hotels offer the 50% discount Subject To Availability, and some hotels may not allow the 50% discount once they have reached the level of occupancy where they know their remaining rooms can be filled at the full rate. To receive 50% off the regular rack rate, call the hotel for availability using the phone number in the TopNACHI web site directory or on the hotel’s individual web page.

Additional restrictions may be listed in each hotel’s valid dates and times. For more details, call the hotels directly.

We Can Get You Wheel Deals!

Enjoy savings of 10-25% on auto or RV rentals from national car rental agencies. Simply click on any of the participating retailers listed on the TopNACHI web site for contact information and reservation instructions. While a majority of locations participate in the discounts, there are a few that do not, so you can check each rental company to determine participating locations.

Pricing: Due to multiple pricing schedules for different car categories, specific prices are not published, but are available from each rental company.

Discount Prescriptions - When An Apple-A-Day Didn't Work.

TopNACHI members can save up to 50% at over 50,000 pharmacies across the country, and though it is not insurance, the TopNACHI-Rx program is often cheaper than an insurance co-pay. TopNACHI cardholders can print a free TopNACHI-Rx Discount Prescription Card right from our web site. Print it and use it with no wait ... it's good immediately, and must be presented to your pharmacist when your order is placed.

Here is just a small sample of the over 50,000 pharmacies (many near you) that will accept the TopNACHI-Rx Card:

Medicare, Part D contains a large “hole” in coverage that can be very costly for seniors. During this gap in coverage, TopNACHI-Rx can help by lowering the price of prescriptions. Whether using insurance or Medicare, present your card to the pharmacist and ask for the best price available. TopNACHI-Rx is not insurance, but frequently offers prices lower than an insurance co-pay!

- A cardholder may create as many cards as needed for your family.
- Enter your name and e-mail address on the TopNACHI-Rx page of the TopNACHI Card web site, and we will generate a printable membership card that will be emailed to you. This card is pre-activated and can be used immediately.

***At TopNACHI,
we think the cost of medicine should never make you sick.***

Movie Tickets - Shhhhh, Quit Talking, Please!

Purchase your movie tickets in advance, and you can see your favorite movies on the big screen at preferred rates! United Artists, AMC Theaters, Cinemark, and others provide special pricing for advance-purchase tickets. You can also look up local movie rental merchants on our web site.

Here Are A Few Final Tips For You:

The discounts available to TopNACHI and TopNACHI-Rx cardholders are available by using a combination of our cards and coupons from our web site. Regardless of whether a coupon is needed or not, your branded TopNACHI Card may need to be presented each time a purchase is made.

Why Coupons? The TopNACHI or Access names may not be recognized by a merchant's new employees or some of the newer merchants, and a coupon with your name on it answers many questions. A coupon also reduces the chance of employee theft. If a coupon is required, print it. If there is any question, have the store verify the discount by calling 1-888-438-2319 (toll-free, on the back of the card), and speaking directly to Customer Service.

- Keep your card with you or in your vehicle so you can always access your savings.
- Keep your Member Number next to your computer at home or work so you can access the site.
- Remember to print and keep coupons in your car for your frequently-visited places.
- If one of your favorite places is not a TopNACHI Card merchant, you can use the "Refer A Merchant" page of our site to recommend them.
