

Entry Level Radon Training Courses

This measurement or mitigation course will satisfy the requirement for certification with either the National Environmental Health Association's Radon Proficiency Program (NEHA-NRPP) or the National Radon Safety Board (NRSB) and any states with certification programs. It will also be necessary to pass an exam, which will be offered at the end of the second day of the measurement course and at the end of the third day of the mitigation course, for certification with either program.

Location	Course	Date	Exam
Colorado Springs, CO	Measurement	May 21-22, 2007	May 22, 2007
	Mitigation	May 23-25, 2007	May 25, 2007

Special offer for NACHI members of 20% off of the radon training!
