

Renovating, buying or selling your home, or just spring cleaning...McRae Home Inspections can help!

Our Services

- **Home Inspections:** We provide pre-purchase inspections for buyers and pre-listing Move-in Certified™ inspections for sellers.
- **Home Maintenance Checkups:** We give you an unbiased, professional opinion on the condition of your house and a list of maintenance and repairs that may be needed.
- **Mould Inspections:** Are you concerned about mould and its possible health effects? We are trained and experienced in mould inspection and remediation.
- **Thermal Imaging:** Using the latest technology, we will look for areas of energy loss, moisture in building materials, electrical faults, and more.

Please call or visit our website for more information.
