

Quality Disaster Cleanup  
P.O. Box 110  
Kaysville, UT 84037

Quality Disaster Cleanup is pleased to announce that we are now members of the International Association of Certified Home Inspection. As members of the InterNACHI Association we have been privileged with the opportunity to teach Continuing Education classes for all Certified Home Inspectors in the state of Utah. As many of you know, in order to stay current with you Home Inspection License 24 hours of CE class is required by the InterNACHI Association.

As an approved course provider for InterNACHI we will be offering CE classes in the categories of Mold Remediation and Water Damage. These classes are very interesting and hands on. Quality Disaster Cleanup is a firm believer in superior education and for this reason we have constructed our own Flood Warehouse strictly for teaching CE courses. Over the past couple years we have put over 600 Insurance and Real Estate Agents through our classes. We are very excited to offer these classes to you!

Before each CE class Quality Disaster Cleanup floods our entire warehouse that is fully carpeted, padded, sheet rocked, furnished, etc. When you arrive you will see first hand the damage that can occur from water and moisture overnight.

Quality Disaster Cleanup would like to personally invite you to attend our Mold and Water Damage CE class that will be held on the 20<sup>th</sup> of May at 9:30am-11:30am. This is a Free 2 hour credit class and we provide Free Lunch for all that come. We must have at least 15 people sign up for the class. We have a maximum of 30 that can attend so please don't delay. We must have all RSVP's by the 10<sup>th</sup> of May. Quality Disaster cleanup is located at 615 W. Boro St., Kaysville, UT, 84037. Please email [nathan.cisney@gmail.com](mailto:nathan.cisney@gmail.com) or call 801-991-1301 to register. We look forward to seeing you there!

Sincerely,  
Nathan Cisney
