Subject: Tennessee Qualifying Education Course Approval

Dear Ms. Endza:

On December 2, 2009, this office received your supporting materials, application and documentation asking that we review and approve a course that your organization has developed for the purpose of providing qualifying education credits to licensed Tennessee Home Inspectors.

The following course was approved under the instructor you submitted:

“Pre-Licensing Course” (90 hours)

Each approved course title will be assigned a Tennessee qualifying education (QE) number and will be listed on the site under the course provider’s name along with the number of hours for which the course was approved. Our website address for reviewing your information as a course provider is www.state.tn.us/commerce/boards/hic Click on “education information.”

Please remember, in accordance with **Administrative Rule # 0780-5-12-.07(f)** *within five (5) working days after the completion of each course, the provider shall submit to the commissioner a list of all attendees, including, if applicable, the attendees’ license numbers. If the course is for continuing education, each licensee successfully completing the course shall be furnished a certificate certifying completion.*

Sincerely,

Nikole Avers, Administrative Director
Tennessee Home Inspector Licensing Program
