NO = State Does Not Require
 ? = Unknown
 1 = State Requires

- Column B Inspectors are required to be licensed (We have not yet factored this column into our ratings - we will do so after we receive your feedback and can fill in the blanks).
- Column C Inspectors are required to complete continuing education (We have not yet factored this column into our ratings - we will do so after we receive your feedback and can fill in the blanks).
- Column D Required to be an apprentice before becoming a Journeyman electrician
- Column E Journeyman are required to be licensed
- Column F Journeyman are required to complete continuing education
- Column G Master/contractors are required to be licensed
- Column H Master/contractors are required to complete continuing education
- Column I Professional Engineers are required to be licensed
- Column J Professional Engineers are required to complete professional development
- Column K 3 is 2005 NEC, 2 is 2002, 1 is 1999, 0 indicates there is no statewide code adoption
- Column L Total of points awarded for requirements

Grading is based on the total number indicated in Column J. The scale is 1 - 10. 10 being an A+ and 1 being an F (We have not factored the inspector columns into our ratings - we will do so after we receive feedback and can fill in the blanks).
