Dear LINAS,

We recently determined that the Wire Size Gauge E659 does not provide an accurate measurement of wire sizing. This may lead to a misidentification of the actual wire size and a potential risk of harm.

**While we have not received any reports of personal injury as a result of this product issue, we are requiring our customers to discontinue use of this product.**

Once you've removed your Wire Size Gauge from service, please contact our Customer Service Exceptions Department at 1-800-334-9291 ext. 5477. They'll provide the next steps in the resolution process and credit your account for the cost of the item, applicable sales tax and shipping charges.

Thank you for your cooperation in this matter and we apologize for any inconvenience this may create.

Sincerely,

Rafe Munz
