Daryl Barjas

Daryl Barjas has been building decks and patios for nearly 19 years. His business, Grand View Deck & Patio, is family run. He builds custom decks and patios while providing expert deck repair and refinishing.

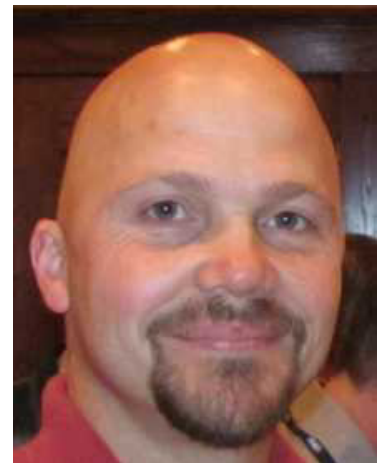

He is a native Coloradoan, and started out learning the industry as a helper and then crew leader. He's managed several crews and then started his own business.

He's had the good fortune to work with some of the very best Colorado deck and patio contractors, learning the right way to build quality products, and has integrity, honesty and great care for his homeowner clients.

He's passionate about outdoor living and the projects he's produced; He loves what he does and blessed to never have worked a day in the last 19 years. You see, when he loves he does for a living, it just isn't work.

His custom designed and built projects include: Custom Composite and Redwood decks, Wood and Maintenance free Pergolas, Patio Covers, Pavestone or Natural Stone Patios, Stamped/Decorative Concrete and Outdoor Kitchens.

His company serves most of the Front Range from Castle Rock and Parker to Highlands Ranch, Aurora and Littleton. As well as Evergreen, Conifer, Lakewood, Golden and Boulder.
