

InterNACHI Chapter Meeting

May 11th, 2010 7:00 P.M. Sharp.

Attention Members:

**Stephen Self of Sustainable Interiors
Will Be Speaking On Home Energy Audits.**

Stephen Michael Self works in the green building and sustainability industries as a consultant and project manager and brings an experienced, honest and creative 'Green Solutions' approach to every client and project. Stephen has presented nationally on topics ranging from energy efficiency, green building, indoor air quality, sustainable business practices and comprehensive energy legislation. He is also the Colorado State Chair for Efficiency First.

Stephen Michael Self

Owner of Sustainable Interiors & President of Sustainable Ideas Consulting, Boulder, Colorado

Steve creates natural and sustainable options for remodeling and renovating our existing built environment.

Steve provides assistance to organizations in transitioning and recognizing their own "Green" today through direct consulting and organized green-building workshops and sustainability presentations.

Sustainable Interiors provides **Home Energy Audits** and **HERS Ratings**.

They are a Green Building remodeling company focusing on natural and sustainable building materials and energy-efficiency. They interweave **Energy-Efficiency** considerations and Improved **Indoor-Air-Quality** into your home with every project.

He believes green remodeling costs less than conventional and that sustainable materials are of **Superior Quality**.

Green building are no longer on the fringe; it's now the best of what construction technology has to offer. Sustainable homes, Sustainable communities: Sustainable Interiors!

He cares about your project. Check out his website: www.SustainableInteriorsBoulder.com
