

It's Back to School!

CMI ACADEMY

ERUDITIO EST VOX

**CMI Academy, in conjunction with the
National Association of Certified Home Inspectors,
is pleased to present**

Commercial Inspections

This course in how to perform Commercial Inspections provides everything an inspector needs to know about successfully expanding into the commercial arena in just 8 hours. The course is comprehensive, and fast paced. All aspects of commercial inspections are covered, including ASTM 2018-01, project managing, team building, client negotiations, assessment, report writing, preparing a scope of work, and inspection agreements. This course covers it all, and prepares the inspector to be able to move forward and perform these lucrative inspections with a thorough understanding of the Standard and the Process.

When opportunity knocks, will YOU be prepared?

Don't miss this opportunity to learn it all in a single, comprehensive session.

**Course price for NACHI
Members is just \$150**

***Due to the tremendous demand for this
unique course, pre-registration is required.
