

CLEMSON

U N I V E R S I T Y

July 22, 2009

LISA ENDZA
INTER NACHI'S
1750 30TH STREET
BOULDER CO 80301

Dear Mr. or Mrs. ENDZA:

The following details recertification credit to be given for the function listed below. Please note that credit will only be awarded if the meeting is open to the public.

Meeting Title: WOOD DESTROYING ORGANISM INSPECTION COURSE

SC Recertification Credits: 10

Class Code: 11074

Core: 0 Cat 3: 0 Cat 5: 0 Cat 7A: 10 Cat 7B: 0 Cat 8: 0

Note that these programs have been given 'blanket coverage' for this recertification block (1/1/2005-12/31/2009). This means that all dates and locations you plan to conduct these courses have been approved. However, if you have any changes to your current program, you must resubmit the program for re-approval. Make copies of the sign-in form each time you have a meeting and return them to me after each meeting. Please fill in the corresponding location and date on the sign-in form of each meeting you conduct.

Duplicate the enclosed recertification sign-in form as needed prior to the meeting. Each South Carolina Licensed Pesticide Applicator attending the meeting should sign the form upon completion of the course. Please return all sign-in sheets to this office in order to have credit awarded.

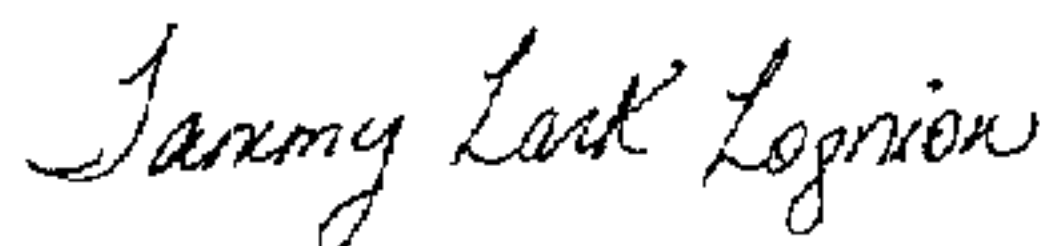

Please instruct individuals with more than one South Carolina license, i.e., Private, Commercial or Noncommercial, to list ALL license numbers on the recertification sign-in forms in order to receive credit for each license.

Recertification credit of annual meetings, classes, etc. must be approved annually. A 'Request for CCH' form is enclosed for use in requesting approval for your next meeting. Please note that all requests should be made fifteen (15) days in advance of the training.

This is an on-line computer generated training course.

Do not hesitate to contact me if you have further questions.

Sincerely,

Tammy Lark-Lognion
Recertification Program Coordinator
