INSPECTION EXPERIENCE

I have completed the following number of commercial and/or residential inspections for which I was solely responsible for conducting the inspection. During the inspection, I was required to assess the physical condition of the building and its systems, including the roof, foundation, exterior, interior, electrical system(s), mechanical/plumbing/HVAC system(s), and all other items associated with the inspection. (This does not include termite inspections, appraisals, or site visits from property owners, managers, or real estate brokers.) At the conclusion of the inspection, I was required to independently document my findings in a written report.

To date, I have performed the following number of general property inspections (choose only ONE response):
