Recertification Credits for Idaho Pesticide Applicator Training

Date: 12/09/13

Class/Recertification Number: 2013 685-12

The above listed class is approved for 12 recertification credits. The contact person listed on the original request is responsible for the following actions:

- Ensure that all applicators in attendance sign the sign-out sheets provided (Mandatory Requirement).
- Ensure that only one sticker is presented to each participant.
- Attach the stickers to the participants' pesticide applicator license.
- Do not give individual unattached stickers to applicators. If an applicator does not have his/her license at the seminar, attach the sticker to your business card with the applicator's name next to the sticker and give the applicator the business card for his verification of attendance. A seminar name tag may also be used.
- Staple unused stickers to the sign-out sheets after class completion and send them back to ISDA within 30 days of the end of the seminar.

If you have any questions concerning the stickers or the credits, please contact the ISDA Licensing Department at (208)332-8600 or (208)332-8609.

Approved by: David Chase

Title: Program Specialist

Number of Stickers will send their certificate of completion

Note: Please copy the sign-out sheet as needed for your seminar/class.
