Boulder, CO 80302

Re: InterNACHI

Dear Mr. Cohen:

ASHI is committed and will work to eliminate any public claim for itself, the chapters, or members who claim that ASHI is the largest non-profit home inspection organization. This letter is sent without prejudice or admission of any kind.

Sincerely,

A handwritten signature in black ink that reads "Harry S. Rosenthal". The signature is written in a cursive style with a horizontal line above the name.

Harry S. Rosenthal

HSR:nsk
