Dear Mr. Gromicko:

I am pleased to write with formal approval of the following continuing education course. Effective May 21, 2013, you may begin offering the course listed below through September 30, 2014. Unless courses are renewed as per regulations, this course approval will expire on that date.

<u>Course ID</u>	<u>Course Title</u>	<u>Credit Hours</u>	
2180013013	Home Energy Efficiency for Real Estate Professionals	6	Elective Internet Delivery

It is critical that you use your school ID number, the assigned course ID number and approved course title referenced above on all certificates given out immediately after each class. To ensure that all students receive appropriate credit, it is equally imperative that you verify that all information is correct before submitting documents to the Missouri Real Estate Commission. The Missouri Real Estate Commission completion certificate that you must use is attached to the electronic version of this letter. The completion certificate may not be revised.

You will submit completion data in an ASCII file and upload the rosters directly into our database. Before submitting the ASCII file please verify that your completion information is correct to ensure that licensees are receiving credit for their courses. ASCII files must be submitted with complete and accurate information within 10 days of course completion. Please advise students that if they fail to give you either their correct license number or social security number for submission on the roster, their education may not be acknowledged by the Missouri Real Estate Commission.
