Re: Passing of SB 269 – Home Inspector Registration

Dear Montana InterNACHI Member:

You are receiving this letter because we have identified you as an industry professional directly or indirectly impacted by the passing of SB 269, requiring mandatory registration of Home Inspectors in Montana. The new law will take effect on January 1, 2020. We are currently seeking individuals and organizations that would like the opportunity to stay informed as we implement this new law.

SB 269 requires Home Inspectors in Montana to register with the Department of Labor and Industry. Each individual working under the registration will be required to meet the following criteria:

- Successful completion of 40 hours of comprehensive home inspection training approved by the Department, or a passing grade on an approved national home inspection examination;
- Membership in an approved national association;
- Carry liability insurance, and a minimum of 100,000 errors and omissions insurance; and
- Obtain personal workers' compensation coverage or an independent contractor exemption certificate (ICEC)

If you would like to be placed on the interested parties list, please fill out the enclosed response section and return it to us by email at [HIregistration@mt.gov](mailto:HIregistration@mt.gov) or by mail to Department of Labor and Industry, PO Box 8011, Helena, MT 59604. The Department will maintain a list of interested parties, solicit participation and disseminate information as appropriate throughout this process.

If you have any questions at this time, please contact Jocelyn Ambo at 444-9029 or send your question by email to [HIregistration@mt.gov](mailto:HIregistration@mt.gov). We look forward to hearing from you!

Sincerely,

A handwritten signature in black ink, appearing to read "Tracy Gonzalez".
