**Dear Mr. Gromicko:**

**This concerns your Continuing Education Unit (CEU) request for the Online Wood-Destroying Organism Inspection Course.**

We are awarding up to 4 CEU's in category 7b for persons who successfully complete this course.

**This program has been assigned course number OK-13-123. In order for applicators to be eligible to receive the appropriate CEU(s) this course number must be made available to the Oklahoma Department of Agriculture, Food, & Forestry, Consumer Protection Services Division for individual verification.**

**We look forward to receiving verification of attendance for all Oklahoma certified applicators.**

**If you have any questions, please contact our office at [\(405\) 522-5950](tel:405-522-5950).**

**Sincerely,**

Ryan Williams

Pesticide Certification & Training Administrator
