A close-up photograph of a garage door's internal mechanism. The image shows a brick wall in the background, a wooden door frame, and a metal track. A white text overlay is centered across the middle of the image. The text is a URL: nachi.org/inspection-video-garage-inspection. The URL is underlined and in white font. The background shows the intricate details of the garage door's hardware, including a metal track, a wooden jamb, and a brick wall. A thin wire is visible running along the wall. The floor is made of concrete.
