TLC Home Inspections is based in Marble Falls, TX, and services the Austin, San Antonio, and Central Texas Hill Country.

When you choose TLC Home Inspections, you have chosen to open the door to nearly a half century of construction experience. There is no substitute for experience, and you will have our full dedication in helping you evaluate your home's condition, whether it be for purchase, warranty inspection, an evaluation of needed repair, or any other reason you may have for an inspection.

Our Goal is to serve your needs by providing you with a complete and thorough home inspection, neither so long as to be burdensome nor too short to fairly represent the house. You will be provided with an easy to understand Report, with appropriate pictures if necessary to clarify a condition. You are always welcome to call us and discuss something in the Report. We will be here for your questions.

Please browse through this Web Site, it's loaded with helpful information about homes and inspections as well as many links to other sites. Fill out a Price Request or call us by telephone to discuss your needs.

Remember, our experience and knowledge does neither of us any good if they are not put to use.
