

## FOR IMMEDIATE RELEASE

FEBRUARY - 2016

Warranty Management, LLC and InterNACHI are pleased to announce a new relationship providing InterNACHI members with an exclusive deal, **the “Easy Moving Concierge” program, as a free benefit of InterNACHI membership.** This program has been designed by industry leaders to help members save their clients time and money while generating more revenue and growing their business.

**This complementary service will help your clients establish the majority of their home service connections in one easy call.** Our “Easy Moving Concierge” experts will save your clients' time and money while alleviating multiple phone calls, long wait times, and pushy sales people.

**Your individually branded concierge service will help you grow your business** by providing a competitive edge in your market and creating additional revenue streams for your business. This is just another way that your membership completely pays for itself!

**All InterNACHI members are invited to use the Moving Concierge program at no cost to them.** As part of this agreement, WM will be waiving all start up and management fees for the program, saving members thousands.
