

12/3/2019

Dear Ben:

Thank you for renewing your membership with the American Association of Radon Scientists and Technologists, Inc. With you we are "Stronger Together!"

AARST staff and volunteers work collectively to increase public awareness, shape public policy and grow your businesses! To that end, your member benefits include many discounts, perks and tools to make your jobs easier.

Business Management Discounts
Toolkit & QAQC Templates
Expert Education Opportunities
Monthly E-newsletter RnBiz™
The Radon Reporter™ Publication
ANSI-AARST Radon Standards
The RadonListserv.org

We hope during this past year you have gotten a chance to take advantage of your new member benefits. No? Just SIGN IN to the website (www.AARST-NRPP.com)! In addition to your Toolkit, online standards, and many free templates, you will continue to receive the monthly e-newsletter Rn Biz™ and the only trade publication for radon professionals, The Radon Reporter™.

Sincerely,

Dallas Jones

AARST Executive Director

Note: We use Constant Contact to reach you regarding topical issues, E-news, and membership renewal.
