To Continuing Education Provider:

The Division has approved your application for continuing education credit for the Home Inspector course(s) listed below. Due to the fact that Home Inspectors only require 8 hours of approved continuing education the maximum number of hours for each course will not exceed 8 hours.

This course approval is valid for two years from the approval date per 12 AAC 22.310(d) or on the date that the department determines that the continuing competency activity no longer meets the requirements of the continuing competency regulations for the Home Inspector Program.

Thank you for taking the time to get this program approved.

You may view approved continuing education courses on our website at:
